

Big Data and the Risks of Insider Trading

Mar 19, 2018

Reading Time : **1 min**

Bloomberg Law's *Securities Regulation & Law Report* has published the article “Big Data and the Risks of Insider Trading,” written by [Peter Altman](#) and Kelly Handschumacher, litigation partner and associate, respectively, at Akin Gump, and Jennifer Hustwitt, a vice president in the financial institutions group at Marsh & McLennan. The article looks at how investment advisors can prevent, or even mitigate, liability for insider trading in connection with the use of alternative data.
